

The CCSI Charter: An Invitation to Global Excellence

Subject: A Strategic Invitation to the Revitalised Contamination Control Society, India (CCSI)

Dear Cleanroom Professional,

In an era where precision is the bedrock of industrial progress, the integrity of controlled environments has never been more critical. We are pleased to announce the formal revitalisation of the **Contamination Control Society, India (CCSI)**—the premier authority for cleanroom standards and validation in India.

The CCSI is more than a professional body; it is a **high-level technical caucus** designed for the architects of purity. From the intricacies of EV battery manufacturing to the rigorous demands of Pharma, Biotech, Electronics, Atomic Energy, Space Research and Defence, we unite the vanguard of manufacturers, contractors, and users of critical cleanroom infrastructure.

The Vision of Distinction

- **Vision:** To be the definitive catalyst for excellence in contamination control, elevating Indian industries to the highest global standards of safety, purity, and environmental integrity.
- **Mission:** To empower an elite cohort of professionals through the dissemination of advanced technical knowledge, rigorous training, and the advocacy of standardised practices.

CCSI

Contamination Control Society, India

Unit No. 304, Damji Shamji Industrial Complex,
Next To Madhuban Toyota, L. B. S. Marg,
Kurla (West), Mumbai – 400 070.
Tel: +91-22-41203344 Mob: +91-9167991467
E-mail: info@ccsi.org.in Web: www.ccsi.org.in
Registration No.: Greater Mu/0000849/2023

The Exclusive Benefits of Membership

Membership in the CCSI offers unparalleled access to the machinery of global standards:

- **Strategic Representation:** Influence the future by joining our presence on national and international standard committees. CCSI is a member of the International Confederation of Contamination Control Societies (ICCCS, website: www.iccs.net), headquartered in Switzerland.
- **Knowledge Sovereignty:** Gain priority access to closed-door seminars and technical workshops led by global subject matter experts. CCSI is affiliated with ICCCS and runs internationally recognised training programs.
- **The Network of Influence:** Engage in high-value networking with industry leaders, facilitating indigenous R&D and global export opportunities.
- **Operational Excellence:** Participate in curated factory visits and facility inspections to witness the cutting edge of contamination control.

Inaugural Membership Privilege

We are inviting applications for individual membership. To celebrate this new chapter, we have curated a Specialised Inaugural Membership of this revitalised era.

Professional Tier: Entrance Fee: Waived (Introductory Honorarium) Annual Subscription: ₹ 500/- (Structured as a three-year payment of ₹ 1,500/- + 18% GST). A Life Membership Subscription is available at ₹15,000/- + 18% GST.

The Invitation Process: Entry into the CCSI is reserved for those dedicated to the highest tiers of technical discipline or with an interest in contamination control or allied industries. Please submit the attached dossier (membership form) along with your credentials to the secretariat address below.
